Annual Events

SUMMER RESOURCE FAIR

Thursday, February 22 | 10 am-2 pm
Tolleson, Third Floor Gym

Summer can be an intimidating time for families affected by disability. It can be hard to find opportunities for their loved one to have a full and engaging summer experience. Our fair brings together over 20 agencies that offer summer programming for kids, teens, and adults with disabilities, including day programs, day camps, adaptive sports, and sleepaway camps. This event is held early in the year so that families can have the information before programs fill up.

SUPPORTED IN FAITH CONFERENCE

November 2024 (Date and Time TBD)
Tolleson, Third Floor Gym

Families affected by disability often come to faith communities with a hunger for acceptance and belonging and a significant need for direction and resources. This conference brings together faith leaders, community organizations, self-advocates, and caregivers to learn from one another so that we are all better equipped to step into the gap with each family who crosses our path.
